

Cocktail Masterclass

Join us for an hour and a half of hands on cocktail mixing and shaking. Get behind our bar, learn the tricks of the trade and drink the products of your newly learnt skill!

We welcome you upon arrival with a sparkling cocktail and an introduction into our world of cocktail mixology, through the history, and techniques

With this knowledge we'll invite you to jump behind the bar and create two of our most popular drinks, all the while being guided by one of the So Bar team.

The event can be soundtracked by you and your guests using Spotify or we can supply the tunes.

Kick back and enjoy your drinks whilst we whip up a round of shots for you and your guests to toast to your new skills.

£39.50 per head (non-alcoholic alternative available £29.50)
